### Classic Watercolour Line

#### Product Information

- \* All **60 classic watercolour designs** are reproduced from original watercolours and are printed on the highest quality, light-colored cream **100 pound linen card stock**. Fill-in invitations, flat correspondence cards and gift enclosures have matching envelopes.
- \* Cards accept inkjet printing. Our packaging states that the cards are "not laser compatible", yet some of our customers report success. Please request samples to test on your printer.
- \* **Fill-in invitations and correspondence cards** are 4 1/4" x 5 1/2" and multiples of eight (with envelopes) are hand-tied with grosgrain ribbon and packaged in clear, sealed, acetate boxes.
- \* **Place cards** (pre-scored, to be folded to 2 1/8" x 3 1/2") are packaged eight per pack and **gift enclosures** with envelopes are packaged five per pack. In sealed, clear poly bags, both have grosgrain ribbon securing card bundles.
- \* **Single correspondence cards and single gift enclosures** (both with envelopes) are packaged in clear poly bags, without ribbons and are sold **6+ per design, minimum**.
- \* **Hangtags available** upon request for place cards, 5-pack gift enclosures & single correspondence cards
- \* See attached sheet for details on designs and pricing.

### "Borders" Line

#### Product Information

- \* All eight "**Borders**" designs are **imprintable**, and are on 100 pound smooth, white cover stock. All cards have brightly colored envelopes that open / flap on the end.
- \* "Borders" cards are 4 11/16" x 7 3/16" and packaged eight flat cards and envelopes per sealed, acetate box. Cards were designed for vertical imprinting but most designs work in either direction.
- \* Each card/envelope bundle is secured with a hand-tied grosgrain ribbon.
- \* See attached sheet for details on designs and pricing.
